

# Women in Wellness Awards Brunch

## SPONSORSHIP GUIDE

Sista Afya Community Care's Women in Wellness Awards Brunch is an event curated and created to honor Black mental health and wellness professionals transforming the lives of women in Chicago, while raising funds to support SACC's free holistic mental wellness care programs that benefit 500 women annually. Since 2020, SACC has served over 500 Black women annually in Chicago through services including individual and group therapy, workshops, wellness classes, and professional development.
